
31/08/2015 – Announcement according to paragraph 4.1.4.4 of ATHEX Regulation

SFAKIANAKIS S.A. within the framework of publication of the Interim Financial Statements for the period 01.01.2015-30.06.2015 and pursuant to par. 4.1.4.4 of the ATHEX Rulebook informs the investing public on the following:

The Board of Directors of the Athens Stock Exchange during its meeting held on 05.04.2012, decided the transfer of Company's shares to the "Under Supervision" category since 05.04.2012, on the grounds that in the Annual Financial Report of 31.12.2011 losses exceeded the 30% of equity.

The efforts of Company's Management in order to encounter the causes that led to the inclusion of the category of Surveillance continue to focus on the further reduction of operating costs, improving market share and financial figures of the Company and the Group. More specifically, loss before tax presents improvement by € 1.2 mil. for the Group and € 0.6 mil. for the Company.

Company's Management believes that the improved commercial performance that Sfakianakis Group of Companies continues to present, establishing its leading role in the main markets in which it operates, in conjunction with the end of a multiannual restructuring plan, ensures its adaptability and flexibility in the particularly adverse conditions created in the market.
